Bernadette Joaquin
"Frosh"

Bernadette,
you've been a good friend when
I got to know you a lot more better
I mean first place, I really didn't
like you, because you didn't
like me, but I hope you
like me, now. Because I think
you are a good pal. So I
hope you stay in a good
mood so you can like me.
But I really think you
are a good pal. Be good
to the boys.
P.S.
You're
nice

Sincerely
Gloria Villanueva

In 1953, FUHS welcomed Mr. Frank Arthur Celaya to the teaching staff. Before teaching at FUHS, he graduated from the University of Arizona and taught one year at Florence Elementary School.

Mr. Celaya has taught many subjects here, including Spanish and social studies. He has coached football and baseball and has been adviser for the Spanish Club, Lettermen's Club, and Student Council. Before retiring from coaching in 1966 to take over his new duties as Director of Athletics, he had served as a part time counselor.

In 1968 Mr. Celaya was appointed to the new position of Principal of FUHS. Some of his responsibilities and duties as principal deal with school improvement, all student affairs and interscholastic activities, and public relations.

Close Relationship Is Maintained With Student Body ...

Miss Bernice McNaught is now in her second year as counselor at FUHS. She came to Florence with much experience in dealing with students.

Having graduated from Wyley High School in Terre Haute, Indiana, she attended Indiana State University where she received her degrees. She earned a bachelor of science degree in physical education and a masters degree in guidance and counseling.

Some of her former positions include Dean of Women at the University of Nevada and Dean of Girls at Sunnyside High School where she was employed prior to joining the FUHS staff.

After getting settled at Florence, Miss McNaught assumed the responsibilities of Guidance Counselor. She also assists the National Honor Society and Student Council as adviser.

The girls in office staff find hard work to perform in order to receive their one-fourth credit.

Each girl spends one period per day in the office assisting Mrs. Klingbeil and Mrs. Martinez. Some of the many duties they perform are recording absences, filing, operating the switchboards, delivering the bulletins, and picking up absence slips.

This year Mrs. Ortega has joined the office staff. She, along with Mrs. Martinez and Mrs. Klingbeil teach the girls some of the many office procedures they will put into practice later on.

JUNIORS PREPARE FOR LEADERSHIP

OFFICERS: Patricia Dawson, Secretary; Lynnette Padilla, Vice-President; Jan Baker, Treasurer; Maria Padilla, President

The Junior year in high school has always been the most exciting and busiest year. Most of the work done and funds raised must be placed in the annual Junior-Senior prom in order that the dream of a successful one come true. Plans have been made to hold the prom at Central Arizona Junior College for a change of setting.

To finance the prom, various projects have been undertaken. Their major source of income has been the concession stand which they have had during the football and basketball season. Also, they've had a comedy show and a float.

SOPHOMORES ADJUST TO SCHOOL LIFE WHILE

The Sophomores have now adjusted to an increasingly difficult curriculum and are proved able to assume the responsibilities of leadership as upperclassmen.

Last year, the members of the future Sophomore class had time to contemplate their choice of candidates for class officers. The results of the election were as follows: Wayne Neely, President; James Angley, Vice-President; Patsy Padilla, Secretary; and Nancy Lippert, Treasurer.

The first event of the current year was to construct a float in the parade sponsored by the Student Council at Homecoming. Their efforts resulted in a 1st place prize of $25. They have also sponsored an after-game dance.

The funds raised from these various activities should provide a sound financial foundation for future years.

The Freshman class entered FUHS a little dazed as usual in spite of their previous visit on campus during Step-up Day of May. In addition to a new faculty and facilities, they were confronted with a floating fifth period and seventy-minute classes.

On September 11, the freshmen were formally initiated as students of Florence Union High School by the Student Council. The boys were taken to "F" mountain for the traditional whitewashing ceremony. The girls set up and decorated the auditorium for the annual Freshman Handshake Dance.

In preparation for the 1972 junior-Senior Prom, which they will sponsor, the freshmen sold tickets at fifty cents each for the raffle of a transistor radio. Their entry in the Homecoming Parade was awarded second prize.

The freshmen are well on their way to making a success of their high school years.

NATIONAL HONOR SOCIETY

No honor conferred by the school excels that of membership in the National Honor Society. This society looks upon education as a total product measured by the four dimensions of life: character, leadership, scholarship, and service.

Selection Was An Honor

1st Row: Lynette Angley, Secretary; Miss McNaught, Adviser; 2nd Row: Terry Arndt, Vice-President; Mark Mahoney, President; Cort Cooper, Treasurer

1st Row: Leslie Ann Wakefield, Maria Padilla, Sindy Mohr, Jan Baker; 2nd Row: Janice Alston, Bruce Lloyd, Sylvia Argel, Alec Ordway, Jerel McNeil

At the end of each year a list of juniors and seniors having a 2.0 or better grade average is presented to the faculty, who evaluate these students on the qualities of the four dimensions mentioned above. From this list the top five per cent of the juniors and ten per cent of the seniors are taken in as new members. This year the N.H.S. consists of eight juniors and eleven seniors.

1st Row: Carla Ballard, President; Rosie Torres, Treasurer; 2nd Row: Cecelia Siebert, Vice-President; Miss Turner, Adviser

Membership to the Library Gophers is limited to students enrolled in Library Aides. Members work in the library during school hours and after school, maintaining the library facilities for the student body.

The Library Gophers meet on the first Friday of every month to discuss their immediate plans. The club's main activities are field trips to larger libraries to learn new ideas and techniques which they can put to use when they return. Recently they have traveled to Tucson to visit the Tucson Central Public Library and Ted DeGrazia's Gallery in the Sun.

The Library Gophers serve in keeping our library in fine condition and in satisfying those who have interests in the Library Field.

Future Farmers Gain Skill

Sweetheart Candidates Lynette Padilla, Dawn Frizzell; Sweetheart, Angelina Manjarres

The FFA not only aids in developing the much-needed agriculturists of the future, but teaches leadership and responsibility to its members.

This year the FFA kept a very busy schedule. On September 5, they attended the District meeting where Raymond Villa was elected District Reporter. Joey Jimenez and Jerel McNeil attended the National Convention in Kansas City on October 13-17. Several members attended the National Livestock Show and the boys also participated in several local field days.

The boys always look forward to the crowning of their new Sweetheart. On January 30, they held the Sweetheart Ball where Angelina Manjarres was crowned.

During the spring the judging team, consisting of Danny Clark, Raymond Villa, Joey Jimenez, and Jerel McNeil, was very active at a district judging field day at Central Arizona College and they attended two state field days at U of A and ASU.

The year's activities finally terminated with the annual FFA Parent and Son Banquet held at the end of the year.

Pompon Girls Set High Pace for Gopher Spirit

CHEERLEADERS: The cheerleaders were largely responsible for the enthusiastic spirit that was so evident during the football and basketball seasons. They did an excellent job during games and at pep assemblies, leading the student body in enthusiastic cheers.

Last spring the cheerleaders were selected by the student body. They were required to learn an existing cheer and to create one of their own, which they exhibited before the assembly.

During the summer the Varsity and J.V. cheerleaders attended a convention at Eastern Arizona College in Thatcher to gain experience and poise in leading cheers. This fall both the Varsity and the J.V.'s held various money-making activities to raise money for the purchase of outfits and decoration materials. But perhaps the most rewarding activity of the year was leading cheers as their football team took the State Championship.

POMPON GIRLS: For the first time at FUHS, the Pompon girls were selected by the student body. In the past, the girls were selected by a panel of judges composed of faculty members.

The Pompon hopefuls were allowed two weeks to learn routines. They then performed before the entire student body at a special assembly held in the gym. The next day, ballots were distributed and the students chose the twelve Pompon girls they felt had performed the best. After being chosen the twelve girls must keep a grade average of at least 3.0.

The girls stayed active throughout the summer. They attended the 2nd Annual Pompon Camp held in Thatcher, Arizona. They also held a bake sale to gain the money necessary to purchase their uniforms.

But like the cheerleaders, the highlight of the season was their performance in the State Football contest.

Mr. DeGrazia, Director

The band plays one of the most important roles in the school's activities. Besides their classroom hours, many evenings of practice are used in preparing such presentations as the football halftime shows, pep rallies, and providing music to please the crowds during FUHS games.

This year has been one of the busiest for the band since their organization in 1925. Among its many activities this year, were attending Band Day at the Arizona State Fair on October 5, playing at the Christmas Concert, and performing at the commencement exercises at the end of the year.

Mr. Frenck DeGrazia directed the chorus and Andrea Feliz, Sindy Mohr, Olga Cathemer, Kathy Kent and Lynnette Padilla served as this year's accompanists.

The chorus followed a busy schedule this year. They sang for the P.T.A. on December 8, the Woman's Club on December 11, and at the Christmas School Assembly on December 19. They sang also for the Spring Concert held each year and ended their year with their last performance at the Senior Commencement excercises.

Whatever they did, the excellence of their performance made them a credit to the school.

The Future Teachers of America was started in 1937 as a project of the National Education Association. In over 30 years the FTA has grown until today there are over 250,000 members in 6,500 chapters. This year under the guidance of Mrs. Faulkner it was brought to our school to help promote the program in the interest of improving education and helping young adults consider a career in education.

This year the FTA set their initiation, elected their officers, and took a field trip to the Children's Colony. Their officers were capable and with the help of their adviser got the FTA off to a good start. FUHS welcomes the Future Teachers of America.

The F.H.A. was organized for those girls interested in the various fields of home economics. The club meetings give these girls a chance to share their ideas and learn techniques they might otherwise miss.

Early in the year, the F.H.A. sponsored a welcoming party for the freshmen. In November many of the girls attended the district meeting in Eloy. On December 17, the girls met with the Coolidge Chapter at the Children's Colony, where they sang Christmas carols and distributed toys and refreshments among the children.

These few activities are indicative of the many worthwhile projects.

STUDENT COUNCIL SERVES AS A MEDIA

Student Council is the governing organization at FUHS. At the end of each year, an election is held to decide who the following year's officers will be. Those elected to serve the 1969-70 year were Mark Mahoney, President; Toby Underwood, Vice-President; Susie LaMar, Secretary; and Alec Ordway, Treasurer.

The officers and representatives met early in September and decided to hold their weekly meetings each Monday afternoon in order to keep abreast in school activities. The Student Council is responsible for planning the annual freshman initiation. They also sponsored various events held during homecoming week.

On December 5th and 6th, the Student Council officers attended a convention hosted by East High in Phoenix. The purpose of the convention was to familiarize the schools with each other, and to discuss various activities, problems, and new ideas. They returned to Florence with many new ideas to aid them in making the year an interesting one for the Student Body.

The Student Council can be proud of their contribution to a fine year at FUHS.

GAA Adds to School Spirit

The Girls Athletic Association is one of the more popular organizations at Florence Union High School. The G.A.A. develops athletic ability, sportsmanship, and cooperation.

Officers: 1st Row: Nancy Lippert, Secretary; Merry Anne Garner, President; Debby Myers, Vice-President; 2nd Row: Miss Eva Mercado, Sponsor; Debbie Garcia, Treasurer

The goal of each girl in G.A.A. is to earn enough points to qualify for a letter sweater. For every sport a member participates in, she receives five points, and for every game she takes part in she receives 10 points. When a girl has earned two hundred points she is entitled to buy a sweater, and with an additional one hundred points she may buy a letter. For every two hundred points there after, she receives a gold bar to decorate her sweater.

This year, F.U.H.S. was especially proud of its G.A.A. girls. On November 22, they participated in the State Volleyball Semi-finals at Sunnyside High School in Tucson. They were defeated by Safford, who went on to win the State Championship.

The girls also attended the State Badminton Championships at Dysart High School in Glendale, with Janice Alston placing third there.

The girls should be commended for the great amount of effort they put forth in contributing to Florence Union's fine athletic organization.

Dream: State Championship!

The 1969 football season proved to be a new experience for Florence Union High School. This year, through a combination of ability, experience, desire, and most of all, pride, the Gophers were able to achieve the highest possible goal in high school football, the State Championship Crown.

After only one previous year at Florence, Wayland Harris, with the aid of a fine assistant, Richard Servies, was able to instill confidence and a winning attitude in the mind of each player.

The tremendous support of the fans was in no small part responsible for the Gophers' success. Game after game, a record number of supporters turned out to encourage the team. Not only did they lend vocal support, but toward the end of the season a fund was raised to purchase blazers for the entire team and coaching staff.

Members of the squad receiving All State recognition were Toby Underwood, quarterback; Mark Mahoney, linebacker; Robert Blackler, center; and Robert Ruiz, defensive tackle, all receiving first team honors.

The Gophers were able to place eight players on the All Conference list. Those members were Toby Underwood, Curtis Neal, Joe Blanco, Robert Blackler, Rusty Freeman, Larry Cathemer, Mark Mahoney, and Johnny Ramirez.

These players showed a great amount of ability and desire throughout the season, but had it not been for a total team effort by the Gophers, a 10-1 record, a Conference Championship, and a State Championship could never have been achieved.

On 1970 Varsity Squad

How easily one forgets the enthusiasm of victory. After failing but once to reach the win column during the grid season, the Gophers lost their knack for victory during the basketball season, suffering one of the poorest records in recent years.

The prime factor for the dismal season was inexperience. only four returning Lettermen reported for duty at the opening of the 1970 season. Even though they were handicapped, the team often displayed the makings of a championship team. They completely dominated a fine Tombstone team, beating them twice in the course of the season and had good showings against league leader Marana. But, as indicated by their record, these spurts were much too far apart.

With only four players being lost from this year's squad, the future of Florence Union High Basketball does look bright.

Dan Turner, Coach

The 1970 baseball season promises reward fo those who have waited so long. For the first tim in years, the Gophers will take the field with a experienced team in hopes of a Conference Crown

These same boys during the summer, com peted against much larger schools in America Legion Ball, and placed second in the state. Wit a little luck and a lot of determination they may b able to repeat their performance in conferenc play.

The Gophers feature excellent pitching an hitting, and the ailing infield of the past is expect ed to rise for the occasion this year.

At the time of this writing, the season is no yet completed, but from all indications the Go phers will turn in a winning season.
